

## EPP offers by Banks for “Talkative Parents” Users

- 1) What is the “Talkative Parents” Education Technology platform?
  - Yara Technologies owns and operates the “Talkative Parents” [“TP”]
  - Education Technology platform, which connects educators, teachers, parents and students via one integrated platform
  - More information is available on the websites <http://www.yaratechnologies.com/>
- 2) Who has access to the Talkative Parents mobile app?
  - “Talkative Parents” mobile app is available for parents of schools who have registered with the Talkative Parents EdTech platform
- 3) My school is registered with Talkative Parents but I cannot see the fee payment feature?
  - Your schools need to activate this feature on the Talkative Parents platform in order for you to be able to make online school fee payments via the Internet Payment Gateway
- 4) How can I avail the credit card offers available for Talkative Parents users when making school fee payments
  - Post making the payment, within the stipulated time period (by the bank), the parent needs to call the respective credit card issuing bank and make a request to convert the school fee payment into an “Easy Payment Plan” (EPP) stating that they are a Talkative Parents user”.
  - Currently this EPP option is available for school fee payments to Bishop's College Colombo and S.Thomas' Preparatory School credit card payments
- 5) The Terms and Conditions of this promotion is at complete discretion of the credit card issuing bank
