

Interim Financial Statements

For the nine months ended 30th September 2020

FINANCIAL COMMENTARY FOR THE NINE MONTHS ENDED 30TH SEPTEMBER 2020

- HNB Group posts Rs. 8.8Bn in PAT during first nine months of 2020
- Bank PAT of Rs. 7.7Bn
- Deposit growth of over Rs. 112Bn
- · Demonstrates stability and resilience with capital and liquidity well above statutory minimum levels

Hatton National Bank PLC (HNB) reported Profit After Taxes (PAT) of Rs. 7.7Bn for the first nine months of 2020, while the Group recorded a PAT for Rs. 8.8Bn for the same period.

The monetary easing adopted post the pandemic has led to a 400bps drop in AWPLR since the beginning of the year. The Interest Income of the Bank declined in line with the drop in interest rates to Rs. 79.6 Bn, by 8.7% YoY in comparison to the corresponding period of 2019. Interest Expenses of Rs. 45.8 Bn represented a 7.3% YoY drop from last year, resulting in a Net Interest Income (NII) of Rs. 33.8 Bn which was 10.6% lower compared to the first nine months of the previous year.

The impact of COVID-19 continued to hamper the Net Fee and Commission income which declined by 18.9% YoY to Rs. 5.4 Bn as a result of the restrictions placed on imports, low volume of foreign card transactions, removal of certain charges as part of CBSL initiated COVID relief scheme and low level of economic activity etc. However, the Bank witnessed an encouraging increase in income from digital products and platforms with customers shifting to digital channels under social distancing and health guidelines.

The NPA ratio of the Bank increased to 6.51% compared to 5.91% as at end of December 2019 and 6.4% as at 30th June 2020. However, an exposure of Rs. 11.5 Bn to a State Owned Enterprise, which was classified as NPA in December 2019, was regularized in October 2020. Accordingly, after adjusting for this recovery, the NPA ratio for the Bank would have decreased to 5.06% from the NPA ratio of 6.51% reported for September 2020. The impairment charge for the period increased by 45.6% YoY over the nine-month period to Rs. 11.8Bn. Although the Bank's policy is to account for impairment for foreign currency denominated government securities based on the ratings published by Fitch Ratings, the Bank recognized a provision of Rs 427 Mn during 3Q 2020, on account of the sovereign downgrade by Moody's in September 2020, in addition to the provision made in 1Q 2020 due to the sovereign downgrade by Fitch Ratings.

The Bank's focus on optimizing costs under challenging conditions, enabled a Rs. 1.3Bn decline in Operating expenses with cost to income ratio maintained at 40%, similar to the levels recorded in September 2019.

Accordingly, the Bank recorded a Profit Before Tax (PBT) of Rs. 10.3Bn for the nine-month period, which is a decline of 23.1% YoY compared to the corresponding period of 2019 The removal of Nations Building Tax and Debt Repayment Levy proved to be extremely vital to maintain the stability of the banking sector, especially in the current context. Accordingly, the Profit After Tax (PAT) of Rs. 7.7 Bn represented a drop of 3.8% YoY.

Gross loans grew marginally by Rs. 11.9Bn to Rs. 783.9Bn, in the backdrop of low demand for credit, while the deposit base grew by an impressive Rs. 112.4Bn recording a growth of 13.9% during the year 2020. The CASA base saw a faster growth of 24.8% during the nine months growing by Rs. 70.6Bn to Rs. 355.4 Bn as at end of September 2020. This has contributed to HNB being able to maintain a strong liquidity position during the period with Statutory Liquid Asset (SLAR) and Liquidity Coverage Ratio (LCR) being well above regulatory minimum requirements. Bank's total asset base expanded to Rs. 1,248.1Bn by 10.9% from December 2019 to September 2020. The Bank also continues to be among the best capitalized banks in the industry with Tier I and Total Capital Adequacy Ratios of 14.69% and 18.33% respectively.

The Group's Insurance and Investment Banking businesses performed admirably as the HNB Group made PBT of Rs. 12 Bn during the first nine months, which is a 18% YoY drop while Group PAT increased by a marginal 1.2% YoY to Rs. 8.8 Bn. Group level assets rose by Rs. 128 Bn since the end of last year, a 10.7% growth to Rs. 1.3 Trillion.

In recognition of HNB's efforts with regard to managing the impact of COVID, covering assistance to customers and community; driving transactions through digital platforms; intensified focus on managing risks and upgrading and enhancing digital and technological platforms, the Asian Banker, recently adjudged HNB as the 'Best Managed Bank in Sri Lanka during COVID-19', under its awards programme for the year 2020.

In early 2020 HNB was bestowed with the 'Best Retail Bank in Sri Lanka' award by the Asian Banker Magazine, for the 11th time. HNB is also the No. 1 Company in Sri Lanka in the latest Business Today Top 30 Company rankings and is listed amongst the Top 1,000 World Banks as published by the prestigious Banker magazine of UK.

* Business of HNB Finance Ltd.

EXPLANATORY NOTES

- 1. There are no changes in accounting policies and methods of computation since the publication of annual accounts for the year 2019.
- 2. There are no material changes during the period in the composition of assets, liabilities and contingent liabilities and use of funds raised through debentures. All known expenditure items have been provided for.

3. Impact of COVID - 19

The Covid 19 outbreak in March 2020 followed by the second wave continues to pose challenges due to uncertainties and limitations faced by businesses both locally and globally which in turn has implications on the operations of the Bank/Group. Required adjustments have been made for the potential implications in these financial statements based on the available information and application of judgment as at Reporting date. The Board will continue to monitor the implications and make adjustments, if required.

ECL Assessment and computation

The Bank has reassessed the Probabilities of Default (PD) as at September 2020 and made required adjustments. In respect of the loans subject to moratorium, stage assessment was made based on conditions which prevailed prior to granting of the moratorium unless specific information were available indicating subsequent increase in credit risk. The actual losses may differ from the assessment due to the uncertainty.

Reclassification of investment in Sovereign Bonds previously measured at Fair Value Through Other Comprehensive Income as measured at Amortized
cost category

The Bank re-classified its Sovereign Bond Portfolio consequent to the changes to the business model of managing the assets with effect from April 01, 2020 as per the Guidance Notes issued by CA Sri Lanka on Accounting Consideration of the Covid 19 Outbreak (updated on May 11, 2020). Accordingly, Sovereign Bond investments amounting to Rs 47 Bn which were previously classified as Financial Assets Measured at Fair Value Through Other Comprehensive Income (FVOCI) were re-classified as Amortized Cost. There was no change to the effective interest rate used and interest revenue recognized for the reclassified assets for the nine months ended 30th September 2020.

· Basis adopted in the impairment assessment of foreign currency denominated government securities

Bank's policy is to account for impairment of FCY denominated government securities based on the Fitch rating. However, Bank has incorporated Rs 427 Mn based on specific percentage of impairment out of the impact due to sovereign downgrade by Moody's Investors Service in September, in the financial statements for the nine months ended 30th September 2020, in a proactive manner applying the concept of Expected Credit Loss. A detailed assessment of the same will be carried out as at year end and adjustments, if any will be made.

4. Reduction of income tax rate w.e.f 1st January 2020

The Cabinet has approved the reduction of the income tax applicable to the Banking Sector income to 24% from 28% with effect from 1st January 2020. The said amendment is yet to be approved by the Parliament and cannot be considered as substantially enacted as at reporting date. As such the Bank continued using 28% in calculating the income tax and deferred tax liabilities/assets as at 30th September 2020. The Bank has a cumulative net deferred tax asset of Rs 4,386.4 Mn recognized through the Statement of Profit or Loss and net deferred tax liability of Rs 4,993.2 Mn recognized through OCI.

Had the Bank applied the reduced income tax rate of 24% to calculate deferred tax assets/liabilities as at 30th September 2020, an additional deferred tax expense of Rs 626.6 Mn and reversal of Rs 713.3 Mn would have got charged to the Statement of Profit or Loss and reversed from OCI respectively for the nine months ended 30th September 2020.

- 5. These interim financial statements are presented in accordance with Sri Lanka Accounting Standard (LKAS 34) "Interim Financial Reporting" and provide the information as required in terms of Rule 7.4 of the Colombo Stock Exchange.
- 6. An exposure of Rs 11.5 Bn to a State Owned Enterprise (SOE) which was classified as NPA as at the reporting date, was regularized during the month of October 2020. Accordingly, if the said recovery was adjusted to the NPA ratio as at 30th September 2020, reported NPA ratio will decrease from 6.51% to 5.06%.
- 7. Where required, figures on the audited annual financial statements have been reclassified to conform to Central Bank of Sri Lanka publication requirements.
- 8. The consolidated financial statements of the Bank cover the Bank and its subsidiaries HNB Assurance PLC, Sithma Development (Pvt) Ltd, HNB Finance Ltd & the Group's interest in Joint Venture Acuity Partners (Pvt) Ltd.
- 9. The funds raised through debentures were fully utilized for the objectives mentioned in the prospectuses.
- 10. Dr. Rohan Karunarathne, Director retired from his post w.e.f. 6th October 2020. Accordingly, he ceased to be a Key Management Personnel of the Bank from that date.
- 11. There are no material events that took place after the balance sheet date which require adjustment or disclosure in the financial statements other than the above.
