**6. How do I gain entry into the lounge?**

Visit <https://www.loungekey.com/MastercardSA> to see lounges available for you. Present your HNB MasterCard World, Business or Corporate at the lounge, your boarding pass and identify yourself as a LoungeKey member.

Your card will be swiped to confirm eligibility, to register your visit and to debit payment of the lounge access fee, where applicable. You will then be asked to confirm the visit information (date, location and number of visitors) and sign the card reader to certify the lounge visit. You may incur charges for lounge access. Please note that the Lounge Key terminal will not prompt for the lounge visit fee (USD 27) at the time of entry that will be charged to your card account after 3-5 days.

Please note that you are responsible to confirm details of the transaction (time of entry, number of guests you are bringing in with you into the lounge). In the unlikely event that the receptionist is not familiar with LoungeKey, please double-check your app and show them the listing.

**7. Can the lounge staff provide me information about my complimentary lounge access entitlement?**

No, as the lounge serves thousands of customers from various financial institutions globally. When your card is swiped, lounge staff only checks for access eligibility. You may incur charges for lounge access. Please note that the Lounge Key terminal will not prompt for the lounge visit fee (where applicable) at the time of entry that will be charged to your card account after 3-5 days.

To view program information, your usage and billing history, log in to <https://www.loungekey.com/MastercardSA>. If you have any questions about your complimentary access entitlement, please contact 0112462400.

You can find the guest policy for participating LoungeKey lounges on <https://www.loungekey.com/MastercardSA> or LoungeKey app. Lounge visit charges for guests will be USD 27 each.

**9. Can I take children into the lounge?**

Children are welcome at many lounges when accompanied by an adult. The admission policy for children varies by lounge, so it is important that you check on the Lounge Details page on <https://www.loungekey.com/MastercardSA> or LoungeKey app if there are any restrictions. Lounge visit charges for children will be USD 27 each.
